The image is a composite of several elements. In the top left, there's a white circle containing a grey printer icon with three colored ink droplets. To its right is a screenshot of an email application window with a blue header. The subject line reads "Guest Post Interest Template". Below the subject, the recipient field contains "To: xxxx," and the message body starts with "Thank you so much for your interest in writing for my site. Please provide to me an outline of your guest post topic, and I will be happy to review it and determine if it fits with my site's theme." In the bottom left, there's a large white box containing the text: "I prefer to read this long e-mail on paper instead of the screen." At the bottom, there are four rounded rectangular boxes: a grey one on the left with a document icon and the number "20", a gold one in the center with a water droplet icon and the number "10", a blue one on the right with a lightbulb icon and the number "3", and a white one at the bottom right with the number "22/59".

Recent News

I should print these news to keep it for later.

© 2018 Bruno Guedes

25/59

The collage consists of several overlapping images: a white circle in the top-left corner containing a printer icon with three colored ink cartridges; a large central photograph showing two people's hands typing on laptops on a wooden desk, with a printed document showing blue bar charts between them; a small black circle in the top-right corner containing a water droplet icon; and a bottom row of three colored boxes: grey, gold, and blue. The grey box contains a document icon and the number '85'. The gold box contains three water droplets and the number '30'. The blue box contains a lightbulb icon and the number '10'.

All reports from last month meetings.
